REJUVENATING FACIAL AND DECOLLETE PROCEDURES AND MESSAGES

LIGHTENING AND REJUVENATING PROCEDURE FOR THE SKIN OF THE FACE AND DÉCOLLETTE

Gradual lightening and prevention of pigment spots using concentrations of active ingredients adapted to you.

Light skin exfoliation with AHA and BHA acids, peptides and phytocomponents. A moisturizing, soothing gel with a peptide complex is introduced into the deeper layers of the skin using an ultrasound machine (stops skin aging processes, nourishes, reduces the depth of wrinkles).

Alginate mask with coenzyme Q10 + serum + cream.

70 min - €75

MULTIVITAMIN COCKTAIL TO RESTORE TIRED SKIN WITH 100% NATURAL BIOCOSMETICS FROM FRANCE

The perfect choice for restoring tired, dull, sagging facial skin.

Skin exfoliation + toning + introduction of multivitamin concentrate + modeling massage using a smoothing anti-wrinkle massage serum, which is characterized by deep skin nutrition, regeneration, toning + firming mask, provides instant facial skin tightening, plumping + nourishing, rejuvenating, smoothing cream.

60 min - €65

REJUVENATING NATURAL MARINE COLLAGEN THERAPY FOR TIRED FACIAL SKIN

Real luxury - high concentrations of active substances are used, combined with innovative technologies, allowing to return the skin's youthful purity, tone, smoothness and clinically transform the skin.

Light skin scrub with AHA and BHA acids + facial and décolletage modeling, firming massage + skin elasticity, moisture restoring, brightening, reducing signs of fatigue, marine collagen mask.

70 min - €69

REJUVENATING, STRENGTHENING PROCEDURE FOR FACIAL SKIN "CORRECTIVE"

It is an alternative to invasive procedures for your facial skin. Reduces deep wrinkles, tightens and brightens facial skin (peptide complex, viper venom, hyaluronic filler collagen).

70 min - €75

CARBOXYTHERAPY FOR THE SKIN OF THE FACE AND DECOLLETE

Non-invasive carboxytherapy increases the flow of oxygen to tissues, facilitating the removal of toxins and slags, and lymphatic drainage. The procedure is intended for the prevention of premature aging, the reduction of fine and deep wrinkles, post-acne scars and enlarged pores.

The elasticity of the skin, lifting effect are improved, the pores are reduced, the skin of the face is smoother, brighter and moisturized. Suitable for sun-damaged skin. Face and décolleté cleaning + toning + carboxy induction + modeling massage + alginate mask with coenzyme Q10.

70 min - €75

"PANACÉJA" - INNOVATIVE, BIOACTIVE, 100% NATURAL AND ECOLOGICAL REJUVENATING PROCEDURE FOR THE SKIN OF THE FACE AND DECOLLETE

It tightens, stimulates the synthesis of collagen, raises the tone of the facial skin, visibly reduces the depth of wrinkles. It is "soft power" to fight aging processes.

70 min - €88

BIOREVITALIZATION WITHOUT NEEDLES FOR FACIAL SKIN

Intensively rejuvenates, forms a new collagen framework in the skin, reduces and lightens acne scars. Instantly smoother and clearer skin.

30 min - €70

CARBOXY THERAPY.
NO NEEDLES REQUIRED!
